Lori,

This is a request for a transcript of the 8/12/2013 Public Hearing regarding the Variance Request for Parcel# HB-1339 and the 8/12/2013 Land Commission Meeting Minutes.

If minutes are not available, please send a report of the actions taken at the 8/12/2013 Land Commission meeting.

Was the 8/12/2013 Public Hearing audio recorded, and if so, how may I get a copy?

Thank you for your prompt response,

Leah Dodge
