Re: Elder Holiday Party

In December the Elder Holiday event was cancelled due to lack of funds. My suggestion was to have a May event in order to coincide with honor of Older American's month. I also recommended at that time to have it behind the Norbert Hill Center to defray some of the costs. Due to the weather being cooler than normal at this time we may have to look at having the event held indoors. I do believe that if we all work together we could have an event similar to the Grandparents feast that was held at the Norbert Hill Center.

Thank You
