

**OPTION F. MOTION FROM FLOOR**

**LEAVE VACANT**

Motion to direct that the remainder of the term caused by the resignation of Benjamin Vieau shall remain vacant.

---

**Costs associated with this proposed resolution:**

\$200,000      General Tribal Council meeting – average cost, must hold meeting to determine how vacancy is filled

**Policy Considerations**

- Still have a quorum on the Oneida Business Committee if left vacant.
- Workload may shift as the Legislative Operating Committee has one less member.
- Cost savings of one Oneida Business Committee member salary and possibly the assistant position.
- Constitutional requirement of electing 5 Council Members was accomplished in General Election.

But we'd actually save money by not having to pay for a BC member and their assistant for three years!

300,000
