

1 Q So is--that's an approval. Is that documented in some
2 FDA correspondence to Green Box or how--

3 A **Yes.**

4 Q Is there any--to your knowledge, any patent, any method
5 or process patent that covers that process held by
6 Green Box Green Bay?

7 A **The entire Green Box process is patented. I don't know
8 if Green Box NA Green Bay is the listed entity. I
9 would have to check that. But we have a patent and an
10 FDA approval. That was a big part of our work in 2009
11 to 2012.**

12 Q Are there any other royalty agreements that you're
13 aware of, other than this royalty licensing agreements
14 entry in which Green Box Green Bay is the payee of a
15 royalty?

16 A **Not that exists today. In--**

17 Q How about that existed in the last four years?

18 A **No.**

19 Q The last entry is for \$4,540,000, waste tire recovery
20 to syngas, biochar, biofuels. Do you have any
21 understanding of what that entry signifies, what--how
22 that valuation was obtained?

23 A **I can describe for you--**

24 MR. PETITJEAN: Well, hang on a second.

25 You've got three questions there.
