ORDER

AND NOW, this 28th day of June, 2017, upon consideration of the Defendants unopposed Motion to Continue Trial (Document No. 107), and the Court finding that this case cannot proceed to trial because a failure to grant a continuance would deny the Defendant and Government reasonable time necessary for adequate and effective preparation, taking into account the exercise of due diligence, and would likely make an orderly and fair proceeding impossible or result in a miscarriage of justice, and that the ends of justice served by granting this continuance outweigh the best interests of the public and the Defendant in a speedy trial, it is **ORDERED** that the motion is **GRANTED**.
