**UNITED STATES DISTRICT COURT
FOR THE
NORTHERN DISTRICT OF NEW YORK**

GENERAL ORDER #25

I. PURPOSE

It is the policy of this court to help litigants resolve their civil disputes in a just, timely and cost-effective manner. To that end, this court has adopted an Expense and Delay Reduction Plan in accordance with the Civil Justice Reform Act of 1990. This will tailor the level of individualized case management needs to such criteria as case complexity, and the amount of time reasonably needed to prepare the case for trial.

II. SCOPE

This order applies to all civil cases filed in this court except: multi-district litigation, case remanded from the appellate court, reinstated and reopened cases, and cases in the following Nature of Suit (NOS) categories indicated on the JS44 Civil Cover Sheet: Prisoner Petitioners (463,510-560), Forfeiture/Penalty (625,690), Bankruptcy Appeals (422,423), Social Security Appeals (861-865), Contracts (only NOS 150,151,152,153, and other contract actions which involve the collection of debts owed to the United States), and Real Property (only NOS 220).

*Note - When the Court deems it appropriate, Rule 16 Scheduling Conferences will be held in the above excepted actions.

The Court has adopted the guidelines of civility as outlined in the New York State Bar Association Guidelines on Civility in Litigation, a copy of which is available on the courts web-site at www.nynd.uscourts.gov.

V. REMOVED CASES

III. SERVICE

A. Timing: When serving a Complaint or Notice of Removal, the filing party shall serve on all other parties a copy of this General Order and the attached materials. Service of process should be completed within **Sixty (60)** days from the initial filing date. This expedited service is necessary to fulfill the dictates of the Civil Justice Reform Act Expense and Delay Reduction Plan of this court and to ensure adequate time for pretrial discovery and motion practice. However, in no event shall service of process be completed after the time specified in Fed. R. Civ. P. 4, or any other Rule or Statute which may govern service of process in a given action.

B. Filing Proof(s) of Service: Proof(s) of service of process are to be filed with the clerk's office no later than five (5) days after service of the complaint or notice of removal with a copy of this General Order.

C. Non Compliance with Sixty (60) Day Service Requirement: In the event that the filing party cannot comply with the Sixty (60) day service requirement, that party shall immediately notify the assigned Magistrate Judge and request an adjournment of the initial Rule 16 case management conference date contained in the attached Civil Case Management Plan.

If an adjournment of the conference date is granted, it shall be the responsibility of the filing party to notify all parties to the action of the new date, time and location for the case management conference. Proof of service of such notice shall then be immediately filed with the clerk's office.

IV. ADDITIONAL PARTIES

Any party who, after the filing of the original complaint or notice of removal, causes a new party to be joined in the action shall promptly serve on that new party a copy of General Order 25 along with any additional Uniform Pretrial Scheduling Order that has been entered by the court.

In cases removed to this court from a state court, the

removing defendant(s) shall serve on the plaintiff(s) and all other parties, at the time of service of the notice of removal, a copy of this General Order with the attached materials. The filing of a motion for remand does not relieve the moving party of any obligation under this General Order unless the assigned judge or magistrate judge specifically grants such relief.

VI. TRANSFERRED CASES

The clerk shall serve a copy of this General Order on all parties that have appeared in any action transferred to this district. The clerk shall set a return date for the initial Rule 16 case management conference on the form attached to the General Order. It shall be the obligation of the plaintiff or plaintiff's counsel to arrange for completion of the attached Case Management Plan and to file the Plan with the clerk and to serve this General Order upon any party who had not appeared in the action at the time of transfer.

Attorneys appearing in transferred cases are reminded of their obligation to be properly admitted to this district in accordance with Local Rule 83.1. Attorneys must also be registered for electronic filing. Refer to Section XII of this General Order.

VII. MATERIALS INCLUDED WITH THIS GENERAL ORDER PACKET

- A) Notice of Initial Rule 16 Case Management Conference
- B) Civil Case Management Plan
- C) Case Assignment Form
- D) Notice and Consent Form to Exercise of Jurisdiction by a United States Magistrate Judge

IX. DISCOVERY

A. Discovery Motions: Prior to bringing a discovery dispute to a Magistrate Judge, the parties must confer in good faith in accordance with the provisions of Local Rule 7.1(d). In addition, no non-dispositive or discovery motions should be presented to the Court unless authorized by the Magistrate

VIII. ADR PROGRAMS

It is the mission of this court to do everything it can to help parties resolve their disputes as fairly, quickly, and efficiently as possible. The Court has adopted a Mandatory Mediation Program - see General Order #47 available on the Court's website. All civil cases that are not exempt under General Order #47 and are filed after January 1, 2014, as well as all cases where a Rule 16 Conference is scheduled after January 1, 2014, will be placed into the Mandatory Mediation Program. The Court may also refer other pending cases into the Mandatory Mediation Program. The parties are directed to review the Mandatory Mediation Plan requirements prior to the Rule 16 Pretrial Conference. At the Rule 16 Pretrial Conference, the assigned Magistrate Judge will set a deadline for the completion of Mediation under General Order #47. The referral of a case to the Mandatory Mediation Program does not delay or defer other dates established in the Scheduling Order and has no effect on the scheduled progress of the case toward trial.

A) Settlement Conferences:

The parties are advised that the court will honor a request for a settlement conference at any stage of the proceeding. A representative of the parties with the authority to bind the parties must be present with counsel or available by telephone at any settlement conference.

B) Consent to Jury or Court Trial Before A United States Magistrate Judge:

By written stipulation, the parties to any civil action may elect to have a magistrate judge (instead of the assigned Article III judge) conduct all proceedings in any civil case, including presiding over a jury or bench trial. A trial before a magistrate judge is governed by the same procedural and evidentiary rules as trial before a district judge. The right to appeal is automatically preserved to the United States Court of Appeals under the same standards which govern appeals from an Article III judge. Parties often consent to resolution of their civil disputes by magistrate judge bench or jury trial because magistrate judges have less crowded calendars.

Judge after communication with the Magistrate Judges' chambers.

B. Filing Discovery: Parties are directed not to file discovery material unless it is being filed in accordance with Local Rule 26.2.

For additional information on local requirements related to depositions and discovery please refer to Section V. of the Local Rules of this court.

X. MOTIONS

A. Motion Return Dates: Please refer to the attached case assignment form for a complete listing of the motion return dates for the judges and magistrate judges of this court.

For additional information on local requirements related to motion practice, please refer to Local Rule 7.1.

XI. CASE MANAGEMENT CONFERENCE

Except in actions exempted under Section II of this order, or when otherwise ordered by the court, the parties shall, as soon as practicable, but no later than **twenty-one (21) days** before the Rule 16 conference, confer to jointly address each item contained in the attached Case Management Plan packet. The completed plan is to be filed with the clerk not later than **seven (7) days** prior to the conference date. The NOTICE setting the date, time, and location for the initial Rule 16 conference with the court is included as part of this filing order. Mandatory disclosures under Fed. R. Civ. P. 26(a) shall be exchanged at least **seven(7) days** prior to the conference date, unless the parties have obtained prior approval from the assigned Magistrate Judge to extend that deadline. The Civil Justice Reform Act Plan of this court requires the court to set “‘early, firm’” trial dates, such that the trial is scheduled to occur within **eighteen(18) months** after the filing of the complaint, unless a judicial officer certifies that (I) the demands of the case and its complexity make such a trial date incompatible with serving the ends of justice; or (II) the trial cannot reasonably be held within such time because of the complexity of the case or the number or complexity of pending criminal cases.

XII. ELECTRONIC FILING

As of January 1, 2004, all documents submitted for filing by attorneys admitted to practice in the Northern District of New York shall be filed electronically using the CM/ECF system. Refer to General Order #22 for procedures for filing documents electronically. Attorneys must be registered for both PACER and CM/ECF. Consult the CM/ECF section of the courts web-site at www.nynd.uscourts.gov for PACER registration, CM/ECF registration, CM/ECF training dates, and General Order #22.

i. General Provisions A pre-motion letter and conference with the Court are required before making any of the following motions: (1) motions to dismiss or for judgment on the pleadings; (2) motions for summary judgment; (3) motions for preliminary injunctive relief; and (4) motions for sanctions. The opposing party may respond with a letter not to exceed **three** pages, double spaced within three business days of receiving the pre-motion letter. The opposing party shall briefly describe any anticipated arguments in opposition and applicable defenses. Upon review, the court will either permit the filing of the proposed motion or issue an order scheduling a conference with the parties to discuss the issues raised. The proposed motion shall not be filed until the Court enters an order with respect to the pre-motion letter.⁴

ii. Motions to dismiss. Motions to dismiss and for judgment on the pleadings in civil cases will be decided “**with prejudice**” where the opposing party has been given the opportunity to amend the pleadings after receiving the moving party’s pre-motion letter. The transmittal of a pre-motion letter for a proposed motion under Rule 12(b) of the Federal Rules of Civil Procedure stays the time to answer or move until further order of the Court.

ii. Multiple parties/joint motions. All motions shall be filed jointly if there is more than one movant on a side (*i.e.*, plaintiffs or defendants) unless the Court permits otherwise during the pre-motion conference. If the parties wish to file separate/multiple motions seeking the same relief, in their pre-motion letter, those parties must provide the Court with compelling justification as to why a joint motion is inappropriate.

iii. Opposition/Cross-Motion. All parties opposing a motion shall file a joint opposition. Any cross-motion shall be included in the opposition brief.

iv. Reply. One reply may be filed in support of a motion. Replies shall include any opposition to a cross-motion.

v. Sur-reply. Sur-replies are not permitted without prior authorization of the Court. A party wishing to file a sur-reply must submit a letter request, not to exceed **one** page, setting forth the reasons it believes a sur-reply is necessary.

D. Oral Argument on Motions. Most motions will be resolved “on submission.” The Court will order oral argument only when it deems it necessary for the resolution of the motion.

E. Electronic Filing of Motions. When filing a motion or response which includes exhibits, each exhibit shall be filed as a separate docket sub-entry/attachment to the corresponding motion. Each docket entry shall indicate the exhibit number and provide a brief description of the exhibit.

F. Confidentiality Orders and Sealing. Litigants should assume that all pleadings and documents will appear on the public docket, with very limited exceptions. No pleadings, motions or other documents may be filed under seal without prior authorization from the Court. The request to file a document or documents under seal shall include a declaration setting forth good cause or compelling reasons why the documents should be sealed, in addition to a proposed confidentiality order. Proposed confidentiality orders submitted to the Court shall include the following language:
