United States District Court
Eastern District of Wisconsin
517 E. Wisconsin Ave., Room 258

Re: *United States v. Van Den Heuvel*, Case No. 16-CR-64

Dear Judge Jones:

In the above-referenced case, your Law Clerk Jeremy Heacox inquired about the United States' position regarding the defendants' motions for disclosure of Rule 404(b) evidence (Doc. Nos. 95 & 104). The United States has explained to defense counsel that it will provide reasonable notice of evidence that arguably falls within Rule 404(b). The United States therefore does not oppose the defendants' motions for disclosure and did not file a response to the motions.

Sincerely,

GREGORY J. HAANSTAD
United States Attorney
