Eastern District of Wisconsin

**RE: U.S. v. Ronald Van Den Heuvel
Case No. 16 CR 64**

Dear Judge Griesbach:

Recently a stipulation was sent to you regarding the defendant's motions to suppress. By this agreement the defendant's withdrew these requests, subject to express reservation of rights. We neglected to include the defendant's motion for return of property motion, in the coverage of the stipulation. I have consulted with the government and we agree that this additional motion is to be included in our stipulation, subject to the court's approval. My client has been consulted and is in accord. I will be out of the office through the 15th of September and will circulate a new stipulation reflecting this addition if the court wishes. Thank you for your consideration.

Sincerely,

/s/ Robert G. LeBell
