To Whom It May Concern,

Last July I made out an estimate for repairs on a 1977 Chevrolet owned by Frank Melchert. I received an OK to repair the car. It said in the letter from the Oneida Tribe that I would receive a check for payment in 5 to 7 days for the amount of \$827.50. I was told much later by Liane Melchert that the tribe would not be paying this bill. So I went through my paperwork and brought my letter to the tribal office of Marsha Skenadore to find out what was going on. Marsha said the letter was a fake, it was not her signature, and many other things were wrong with it. So in response to the request from Officer Dan House, I have written you this letter to see how we can proceed.

Thank you,

Sincerely,

Robert M. Zegers, President
