**RE: *Marco Araujo, MD, et al vs Green Box NA Green Bay, LLC***  
***Case No. 15-CV-769***

Dear Judge Zakowski:

Green Box is in receipt of your Order dated March 30, 2016. Green Box was under the impression that it would be granted thirty days from the date of issuance of the Order to comply with its terms. Indeed, those terms were in dispute as late as a week ago. Green Box does not know how it would have been expected to exercise its thirty day window of compliance with your Order when the terms of the order were not finalized until a few days ago.

Furthermore, the terms of the Order are based upon factual errors. The Plaintiff Clifton Equities did not pay for the second GB Kool Unit. That unit was bought and paid for by a company in South Carolina. That company has taken possession of its unit and brought it to Atlanta, Georgia. Thus, there is no way Green Box could comply with your Order.

Rather than issue the Writ of Bodily Attachment that is proposed by Attorney Ogden, Green Box is asking your Honor to simply set a contempt hearing date of mutual convenience among the parties where Green Box would have a chance to explain the matter and the court can find a resolution that will satisfy all parties.

There is no way Ronald Van Den Heuvel can personally provide a \$650,000.00 bond, and he cannot return another party's equipment.

Thank you in advance for your consideration. All parties are being copied on this letter.

Sincerely,

  
Ronald Henry Van Den Heuvel  
Chairman
