Re: **Tissue Technology LLC, et al. vs. TAK Investments LLC, et al.**  
**Case No. 14-CV-1203**

Dear Litigants:

Today, I received the Defendants' proposed Bill of Costs in the above case. In order to dispose of this matter without a hearing, I am asking the Plaintiffs to advise me in writing on or before **April 18, 2018**, whether there are objections to any of the costs.

If there are no objections to the proposed costs, the party to be taxed should promptly notify the court in writing, with a copy to opposing counsel.

If an objection is filed to the imposition of costs, it should be accompanied by a brief memorandum. The party seeking costs will have until **April 25, 2018**, to file a response and any reply by the party opposing costs should be filed on or before **May 2, 2018**. The matter will then be decided on the written memoranda. Thank you for your cooperation.

Very truly yours,

STEPHEN C. DRIES  
Clerk of Court
