To the Honorable William C Griesbach,

My name is Kristie Hoffman. I am 38 years old and Ron Van Den Heuvel is my Father. I'm writing you today because I want you to understand that my Dad is not only his mistakes. He is so much more.

My Dad is a very loving father. He taught me that with loyalty, a positive attitude, work ethic and integrity you can succeed. He has helped me pursue my dreams and mentored me in my business which I have owned for 17 years. It is not just me but countless people he has mentored and helped them achieve success.

My Dad taught me how to care for and connect with people no matter who they are. He has a strong love for his community. Growing up he taught me the importance of giving back by bringing me to Boys and Girls Club events and volunteering for the CP telethons. He woke me up for church every Sunday and as a teenager I imagine that was not an easy task. He has always been very strong in his faith which is so inspiring.

I have countless fond memories of my Dad and don't want to miss out on more. I want him to be there for my children and to teach them all of the things that he has taught me. This experience has been extremely hard on me and my family.

I know that my Dad understands what he has done is wrong. Please take into consideration that he is a loving, patient and dependable person and we all miss him very much.

Sincerely,

Kristie Hoffman
