CASE No: 17-CR-160

SUPPLEMENT TO FILED RECONSIDERATION
MOTION SEEKING COMPASSIONATE RELEASE

Now comes Defendant, Ronald H. Van Den Heuvel, Pro Se, to respectfully ask this court to supplement his filed reconsideration motion seeking Compassionate Release.

Attached is a brief summary of recent developments of FPC-Duluth where staff continues to acknowledge defendants vast and serious vulnerability to COVID-19 but does not want to release him via the CARES Act, a BOP program. The BOP continues to say only that they are aware COVID-19 is on the compound and are doing what they can. The infection rates are increasing daily and tensions rise. Please see attached single page.

I hereby certify, pursuant 28 U.S.C. 1746 that the above and attached are true and correct to the best of my knowledge and belief.

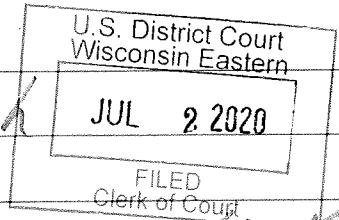

A handwritten signature in black ink, appearing to read "Ronald H. Van Den Heuvel".

Your Honor Judge Briesbach

4 Additional Inmates over 65 years old with Compromised Health or Immune Systems are to be Released in the Next 4 Days.

They had been denied Compassionate Release due to Covid-19 Not being in Duluth Prison Camp. It is now here with 4 Cases and 16 Tests Pending!

Two of those 4 Inmates are to Serve over 90 Months of Supervised Home Confinement or the rest of their Sentences ON Home Confinement in BOP Custody per their Federal Judges Order

Ron Van Den Heuvel is 66 Years old. Ron Van Den Heuvel knows what he did wrong. Should the Court Want RONH to Assist in Asset Sales with no Representations to Repay Restitution He will. Should the Court want him to Retire to Florida and live on his Social Security & Pension He will!

Tension is High in this Camp and last week Two Inmates fought in the kitchen with one being cut and the other a Broken Arm. Again the Community was Exposed by the Reserve Sgt
