#### **PROBABLE CAUSE:**

1. Complainant's review of the details of Officer Michael Pecore of the Oneida Police Department which indicates that on December 15, 2020, at approximately 9:09 A.M, I, Officer Michael Pecore #826 was dispatched to Sorenson Dr, City of Green Bay. Brown County for sex offense. Oneida Dispatch advised LT, an adult female called to report her 8-year-old cousin EV, who she has guardianship over was abused by her ex-boyfriend Jeffrey W. Belisle (DOB 08-31-66). Sgt. Stacy Prevost #809 responded to this incident as well.

Upon arrival, Officers met with LT and her daughter AH, an adult female. I spoke LT and AH in the living room which is located upstairs. In the living room there are two couches that face each other. On the west wall was the TV and on east wall was the Christmas tree. AH, LT, and the kid's bedroom are located downstairs.

STATE OF WISCONSIN - VS - Jeffrey Wayne Belisle

I introduced myself as a Law Enforcement Officer with the Oneida Police Department and asked LT to explain what happened. LT explained Jeffrey had been staying at her house since April 2020. LT also explained EV and her 6-year-old brother EAV, were placed at her residence around October 2020. LT noticed strange behavior between Jeffrey and the kids. LT stated behavior was very weird and strange for how close Jeffrey was getting to the kids. LT stated she spoke with Jeffrey and asked him to relax his behavior with the kids because it felt uncomfortable. LT told Jeffrey it was not appropriate and asked him to stop. LT stated Jeffrey understood. I asked LT to describe the strange behavior Jeffrey was displaying towards the kids. LT stated Jeffrey was "tickling", going in the kid's bedroom constantly which both kids sleep in, and being the adult to cover them at night. LT described the behavior as "grooming" and like he was attempting to build a relationship. LT stated Jeffrey's behavior continued despite her asking him to stop.

LT and AH mentioned an incident that occurred Wednesday, December 9th, 2020. LT stated she works during normal business hours and usually comes home around 5:00 P.M. LT stated on Wednesday, December 9th, 2020, while she was at work, Jeffrey and AH were at home with EV because she was sick with an ear infection. AH mentioned EAV was at daycare until 4:30 P.M. AH stated she is usually home during these hours but left around 3:00 P.M and mentioned she remembered the kid's bedroom door was open prior to her leaving. AH stated when she returned home around 5:00 P.M, she went upstairs to the living room area and saw EAV in the living room by himself. AH thought that was unusually and began to question EAV where Jeffrey and EV were. AH stated EAV indicated they were downstairs in their bedroom. AH stated she checked the kid's bedroom and noticed the door was closed shut. AH stated she thought the situation was not right. AH stated she stood by the door and got a "gross" feeling because she knew EV was in the bedroom alone with Jeffrey. AH stated she checked other locations in the house multiple times to confirm Jeffrey and EV were in the kid's bedroom. AH stated she did not want to open the bedroom door because she was scared, she would see Jeffrey doing something inappropriate to EV. AH stated before this incident occurred, she did not suspect any weird behavior of Jeffrey prior. AH stated with Jeffrey's recent behavior and him being in the room alone with EV was "not right" and gave her a "sick" feeling. AH stated LT came home around 5:30 P.M and he came out the kid's bedroom before LT entered the house.

On Sunday, December 13th, 2020, LT stated she went to her aunt's house for a couple hours and left the kids at home with Jeffrey and AH. LT stated when she returned home, she went to the living room and saw Jeffrey laying the couch with both the kids on him. LT stated he was tickling the kids and they were screaming. LT stated she instantly got that "weird feeling" again and told the kids to get off Jeffrey and go get dressed out of their pajamas. LT stated AH came up stairs up and told her she needed to talk. LT stated AH and she went downstairs and talked about this incident that occurred on Wednesday, December 9th, 2020 and how AH felt about it. LT stated AH told her she noticed weird behavior with Jeffrey and kids, and something was not right about it. LT stated after AH told her how she felt with Jeffrey and kids that it confirmed what she had been feeling about Jeffrey. LT stated Jeffrey playing with kids, him tickling them, always being in their room confirmed that "weird feeling" she got from Jeffrey. LT asked AH to take the kids and get them out of the house while she talked with Jeffrey. LT stated AH and the kids left and she spoke with Jeffrey. LT told Jeffrey he needed to leave, and she did not want to discuss why. LT stated Jeffrey started questioning why instantly and she told him it was because she doesn't feel comfortable with the way he acts towards kids and after she found

out he was in the kids bedroom alone with EV on Wednesday, December 9th, 2020 despite her asking him not to go in the kids bedroom. LT stated Jeffrey tried to reason with her, but she told him he had leave. LT stated Jeffrey began to gather his belongings but was taking his time. LT stated she began to become fearful of him knowing his violent history and left without him knowing. LT stated she received a text from Jeffrey stating he left the house.

LT stated on Tuesday, December 15th, 2020, she began to feel guilty about the whole situation and exposing the kids to Jeffrey. LT decided she was going to talk with EV about Jeffrey. LT asked EV if she was touched by Jeffrey and she told LT she was. LT asked EV if Jeffrey touched her private part on the outside or inside of her clothing. LT stated EV told her Jeffrey did both. LT stated EV told her she was touched twice by Jeffrey upstairs and downstairs. LT stated EV told her when she was touched by Jeffrey it was "scary" and was told not to tell LT by Jeffrey.

On Friday, December 18th, 2020 at approximately 11:30 A.M, the interview with EV took place at the Willow Tree Cornerstone Child Advocacy Center (503 S. EV stated Jeffrey likes licking her, but she doesn't like it because she told him "no". The interviewer asked EV if Jeffrey licks her private area and she said, "You got it right". EV tried to change the subject by asking why there was not a window in the interview room. STATE OF WISCONSIN - VS - Jeffrey Wayne Belisle

On Monday, December 21st, 2020, I attempted to contact Jeffrey's Parole Agent Quinn Cavanaugh and received no answer and left a message.

On Tuesday, December 22nd, 2020, I was notified by Detective Sgt. Ronald King #806 that Quinn contacted the Oneida Police Department and arranged for Jeffrey to come to the Police Department located at 2783 Freedom Rd, Village of Hobart, Brown County.

Detective Sgt. King and I reinitiated contact with Jeffrey in the interview room and told him he was being placed under arrest on a Probation and Parole Hold. Detective Sgt. King advised Jeffrey he was also being investigated for charges of sexual assault of a child.

I placed handcuffs, checked for proper fit, and safety locked them onto Jeffrey. I escorted Jeffrey out of the interview room to the rear of my squad. Jeffrey was searched incident to arrest and seated in the rear seat of my squad. While seated in the rear of my squad Jeffrey stated he wanted to make a statement. I read Jeffrey his Miranda Rights and stated he understood. Jeffrey agreed to speak with me and stated he remembers a time about a month or 2 ago he was building an igloo for EV and EAV. Jeffrey stated during this time EAV "slapped" EV's butt and she slapped EAV's butt back. Jeffrey stated the two tried to "slap" his butt and he told them to knock it off. Jeffrey then stated EV told him she had a secret to tell him. Jeffrey stated EV told him LT's granddaughter was touched. Jeffrey stated EV took off running. Jeffrey told me this incident had to be relevant and thought it should be noted.

2. Complainant's review of the details of Sgt Ron King of the Oneida Police Department which indicates that on Tuesday, December 22, 2020, I Detective Sergeant Ron King Jr. #806 was assigned to follow up with a sexual assault complaint that Officer Michael Pecore #826 initially investigated. I was informed by Wisconsin Department of Corrections that Jeffrey Belisle will be reporting to the Oneida Police Department to talk to his probation officer. I saw Jeffrey in the lobby area of the Oneida Police Department, I advised Jeffrey I needed to talk to him about an investigation I was working on. Jeffrey was cooperative and Officer Dustin Muenster #825 and I escorted Jeffrey to an interview room.

I asked Jeffrey if he knew why I needed to talk to him, and he said "No." I told Jeffrey I wanted to get some information from him, like his address and phone number. Jeffrey said he lived with his Aunt DJ, on Cornelius Circle, Town of Oneida, Outagamie County. I asked Jeffrey how he knows LT. Jeffrey said she was his girlfriend, then stated, "My Ex-girlfriend." Jeffrey said she lives on Sorenson Dr. in the City of Green Bay, Brown County. I identified Jeffrey from his Wisconsin Driver's License and verified the address on his DL is on Sorenson Dr. Green Bay, WI 54313.

I explained to Jeffrey why I needed to talk to him, but with the information I had I needed to read him his Miranda Rights. Jeffrey sounded like he was very worried and asked "Oh, no what's going on, oh my God, what's going on." I asked who LT's cousins were staying at the house and Jeffrey said EV and EAV. I told Jeffrey the information that was brought forward to the police department was inappropriate touching with him touching EV. Jeffrey said "Oh my god no, oh my god, oh my god, oh my god no." Jeffrey put his head down and I read him his Miranda Rights. Jeffrey said he understood his rights and he wanted to make a statement. Jeffrey said he started staying at LT's off and on after he was released from prison in March or April of this year (2020). I asked Jeffrey if he stayed at LT's right after he was released, and he said "No." Jeffrey said he stayed with his uncle who lives in Freedom Wisconsin and he would

STATE OF WISCONSIN - VS - Jeffrey Wayne Belisle

go back and forth to LT's house. Jeffrey said it was starting to hard to travel back and forth so most of the time he stayed at LT's house.

I asked Jeffrey how his relationship is with EV, did they get along and Jeffrey said, "Yes." Jeffrey said he met EV and EAV back when he first got out of prison. Jeffrey said LT came to him and asked him if they could take the kids in or they would have to go to adoption. Jeffrey said he was all for it and they took EV and EAV in. I asked Jeffrey why EV would come forward with this kind of information to us, meaning the police. Jeffrey said, "I have no idea, everything was going great as far as I know." Jeffrey said LT was getting mad because he was spending time with her (LT's) two brothers, so LT kicked them out and then it was just AH and the two kids. Then LT was getting mad because he played with the kids all the time. Jeffrey said he told LT, "Their kids, they want to play." Jeffrey said LT isn't the kind of person that will play with the kids. LT would tell Jeffrey that he is hanging out with her brothers too much, so Jeffrey stopped, then LT said he was getting too close to the kids and she said " Their not your kids" so Jeffrey said he stopped playing with the kids for 3 or 4 days. Jeffrey said he is supportive, and he gives hugs when the kids are down because that's what he did. Jeffrey said LT started to get mad at him because he wasn't working. Jeffrey said LT left to go visit her Aunt and then the kids asked him to "Play Horsy." Jeffrey said he got down on his hands and knees and the kids would climb on his back. Jeffrey said AH took EV and EAV to the park and then LT said she wanted to talk to him. LT told Jeffrey that LT told him she thinks something is going on with him and the kids. Jeffrey said he told LT, "Long time ago if someone accused him of this or something that he didn't do like a robbery or something that somebody would um.... You know I don't want to make nobody uncomfortable, you have to realize I did 21 years, got out, come back to the community, I don't want to make nobody uncomfortable, I told her that if your uncomfortable or if anybody is uncomfortable even in Oneida, I will leave, I will move to another place because I just want to live." Jeffrey said he didn't know why LT was doing this and that's when Jeffrey said he was sick of it and LT told him to leave and "That was the end of that." Jeffrey said.

I asked Jeffrey what he meant when he said, "Playing." Jeffrey said he gets down on his hands and knees and both EV and EAV would climb on his back and he would try to buck them off. I asked Jeffrey if there was anything else and he said, "Tickling" and that's it, then Jeffrey said they would play hide and seek and play with crayons and pictures, read books and that's it. I asked Jeffrey to explain the tickling, Jeffrey said he would tickle their sides and neck. Jeffrey said both (EV and EAV) would climb on him from both sides. I asked Jeffrey if it was possible if what EV is saying about touching could have happened when he was tickling her. Jeffrey said they play kind of rough because their big kids. Jeffrey said "So, I might, I don't know but I always make...I don't do that, I don't go below the waist at all, I do not want to do that, I don't do that, I made sure I don't do that, do you know what I mean."

I told Jeffrey there was more information that EV said in a forensic interview with the Child Advocacy Center. I told Jeffrey, EV said he touched her on several occasions, touching skin to skin, over and under her clothing and licking her vagina. Jeffrey said what, Looking? I told Jeffrey "Licking her Vagina." Jeffrey said, "No my God, no my God no, I do not do that, I did not do that, I did not do that, I, no way no way." I started saying that EV was saying... then Jeffrey cut me off and said, "I understand what she is saying." I said EV said, "You did this on several occasions and Jeffrey said, "I did not do that on several occasions." Then, Jeffrey followed up with saying "I did not do that on one occasion." I asked why he thinks EV would say this about him and he said, "I don't know." I told Jeffrey that he said him, and EV got along,

STATE OF WISCONSIN - VS - Jeffrey Wayne Belisle

and he said, "We did." Jeffrey said when he was leaving EV brought him some rings. Jeffrey said EV said she met a boy and he wanted her to marry him. Jeffrey said "Yeah, Ok fine." Jeffrey said he didn't know what that meant. Jeffrey said, "I can't figure out, or think why, I really don't, I didn't do this, I wouldn't do this." Jeffrey said he has too much to lose. Jeffrey said he did 21 years and when he was released the first time his daughter got back into his life. She called the police and told them I beat her up severely and he was revoked and sent back to prison for 3 more years. Jeffrey went on to say, "For me this is not, no way, I would, you know what I mean?" I said, "No I don't know what you mean." I said he sat in prison for 21 years and he is released and now we have an 8-year-old girl who came forward with this information and Jeffrey said this was not right.

I asked Jeffrey if he was ever left alone with EV and he said yes, he had to babysit the kids because EV was being tested for COVID, so she had to stay in her room. I asked Jeffrey if he would ever go into EV's room and he said, "Only at night to read them books." I asked Jeffrey if he was telling me that EV was lying about this? Jeffrey said, "I don't, I, I, I did not do that, for her to lie, I don't know if she can do that or not do it, or her perceptions." All Jeffrey said is he did not do this. "Oh my God I did not do this" he said. Jeffrey said, "I have way too much at stake to do, or ever think." Jeffrey said he can't even go to his family because their all alcoholics and he thinks if he goes by them the cops will come. I went back and asked Jeffrey if there was ever a time when he and EV were in her room together with the door closed and he said yeah. I asked him why the door was closed, and he said EV wanted to play Legos and she closed the door. I asked Jeffrey if the door was ever locked and he said, "No." I asked how long he was in the room with EV and he said maybe 4 or 5 minutes. I asked Jeffrey if there was a Christmas tree in the house and he said, "Yes." I asked him where it was, and he said the living room.

I asked Jeffrey again about the tickling and asked if it was possible that he may have touched her while he was tickling her. Jeffrey said, "It could be." Jeffrey said they would play rough; There was no inappropriateness whatsoever, he played this way with all his grandkids. Jeffrey started saying that EV and EAV were scared of LT because LT would raise her voice when she would call the kids by their name. I told Jeffrey that he was telling me that he didn't do this, but possibly something could have happened when he was tickling EV and Jeffrey agreed and said, "Yeah, yeah, yeah." I asked Jeffrey if there was any other horse play with any of the kids and he said, "No." I ended contact with Jeffrey.

Complainant is aware that the residence on Sorenson Dr, where these incidents took place involving Jeffrey Belisle and EV is located in the city of Green Bay, Brown County, Wisconsin.

Complainant believes the details of Officer Michael Pecor and Sgt. Ron King both of the Oneida Police Department because he has relied upon them in the past and found them to be true and accurate. Complainant believes the information from LT, AH and EV because they are citizen witnesses.

Based on the foregoing, the complainant believes this complaint to be true and correct.
