STATE OF WISCONSIN - VS - Keilana Marie Brunette

Complainant is an Deputy District Attorney with the Brown County District Attorney's Office and knows of the above offense(s) on information and belief based upon:

PROBABLE CAUSE:

The complainant, being duly sworn on oath, swears that she has had the opportunity to review the police reports of the Ashwaubenon Department of Public Safety and other documents supporting this complaint, which are the types of reports and documents kept in the ordinary course of business, which complainant believes to be truthful and reliable because they have proven to be truthful and reliable on numerous occasions in the past.

The complaint further asserts that based upon her review of the reports and/or supporting documents, the incidents alleged in Brown County, Wisconsin.

1. Your complainant's review of the reports of Officer Jeff Everetts of the Ashwaubenon Department of Public Safety, who indicates: On Wednesday March 1st, 2023, while working uniformed patrol, I was dispatched to 2856 Viking Dr. Apt 1C, Village of Ashwaubenon, Brown County, Wisconsin. Dispatch reported that the complainant found his friend pulseless and non-breathing with a possible gunshot wound to his arm pit area. Officers advised dispatch to have the complainants exit the apartment and wait for officers outside. Officer Roberts and I arrived at the same time.

Officer Roberts retrieved his EMS medical bag and we both walked towards the call address. I observed 3 people standing in the parking lot outside who were identified as C.J.C. 2/26/99, Z.C.B. 8/18/1996, and B.T.M. 12/14/01. They said the victim was in the apartment. I told them to remain outside, and Officer Roberts and I entered the building. Officer Roberts and I approached apartment 1C. The door to the apartment was slightly ajar. I opened the door and announced "Police Department" Officer Roberts and I entered the apartment and conducted a security sweep. While conducting this, we came across the victim B.L.P. DOB: 2/15/00 in the southeast corner bedroom. B.L.P. was lying supine on the floor. His hands were raised up towards his head just off the ground. Officer Roberts checked for signs of life. He informed me that he found none, and B.L.P. was beyond help.

I observed a circular hole in the right side of B.L.P. sweatshirt. There appeared to be red staining on his sweatshirt. Through my training and experience, the red color was consistent with that of blood and the circular hole appeared to be that of a possible bullet wound. Officer Roberts and I checked the apartment for any type of firearms and none were located. B.L.P. body was left in the position that we had found him.

I conducted a canvas of the other apartments in the building and made contact with several other residents of the building. Of all the residents I interviewed, the residents of one of the apartments stated they had heard something out of the ordinary earlier in the day. The other residents I spoke with stated that they did not see or hear anything out of the ordinary that day.

2. Your complainant's review of the reports of Investigator Melanie Lovato of the Ashwaubenon Department of Public Safety, who indicates: I, Investigator Lovato, was called in on Wednesday, March 1st 2023 at 2218 hrs. for a possible homicide. Lt. Rottier stated there was one male on scene that was deceased. While en route to the station Lt. Rottier called me

STATE OF WISCONSIN - VS - Keilana Marie Brunette

and stated the three parties who found the victim were en route to the station to give statements and officers have secured the scene.

I, Investigator Lovato was advised the B.L.P.'s autopsy would be at 0900 hrs. I responded from our station and arrived at the ME office. The autopsy was conducted by Dr. Elizabeth Douglas. At 1100 hrs. Dr. Douglas reported to me she had located the bullet and held it up to show me. ***I could see the bullet had a pink tip.*** All evidence located by Dr. Douglas was secured by the ME office staff and all associated property over to me.

On 3-7-2023, I, Investigator Lovato, followed up on this case on the above date. On this same date we met with OPD, GBPD to brief on serving the warrant at 1335 Swamp Rd, Bronw County, Wisconsin. Upon arrival at 1330 hrs. we all walked up and I knocked on the side entry door to the house that faces the driveway. I knocked repeatedly and loudly announced, "Police Department search warrant". The door opened and three adults, one holding a baby exited the house. Investigator Dufek and I continued to clear the house. When I exited the house I met with home owner P.A.D. who stated she just got home from work. I gave P.A.D. a copy of our warrant and told her why I was there. P.A.D. stated she knew why we there and if was reference the guy who was killed in Ashwaubenon. Keilana M. Brunette DOB: 6/19/02 agreed to talk with me and followed me to my unmarked squad car. Keilana was not in handcuffs, she opened the front passenger side door of my squad car and sat down. The squad car doors were not locked and Keilana was told multiple times the car doors were unlocked and she was free to leave at anytime. Keilana started to get emotional. Keilana stated she knew why we were there and admitted Prez came home on March 1st at 0330-0400 hrs. Keilana stated Prez seemed normal and that she has been with Prez for 5 years so she knows him well. Keilana stated B.L.P.'s family is saying there were other people there. Keilana stated B.L.P. is Prez's best friend and she didn't think Prez did this to his best friend.

I asked Keilana if B.L.P. is known to carry a gun and she stated she saw B.L.P. with a gun one time. Keilana stated she didn't know what time she picked up Prez that night. Keilana stated Prez just got a car the day this happened but it was picked up in the after the afternoon. Keilana pointed out what car was in the driveway and it was the one with temp tags. There was only one car with temp tags in the driveway. I asked Keilana if Prez has been having issues with anyone and she stated she doesn't know of anyone. I told Keilana again the doors were unlocked to my squad car and she didn't have to talk to me but I was sure there was more to this incident that she wasn't telling me. I told Keilana I thought she picked up Prez. Keilana started to get emotional and started to cry.

There was a long hesitation and Keilana stated he didn't get home at 330-4 in the morning. Keilana stated she picked up Prez at 0600 at Viking Drive in the 2800 block. Keilana stated it might have been a little bit before 6. Keilana stated nothing happened and that they just came home. Keilana stated Prez was drunk but was acting like the, "Normal drunk that he is". Keilana stated she didn't want to be the one to pick him because she has a baby. I reminded Keilana the squad doors are unlocked and I was not forcing her to talk to me. Keilana stated she did not want to give me a statement. Keilana stated she was not concerned about us finding anything in the house. Keilana stated there was nothing at the home that she has tried to destroy or hide and she stated, "Me personally no I haven't tried to hide anything". Keilana confirmed she doesn't have people over at the house and just Prez would be here. I asked Keilana if we could look at her phone and she stated, "No". I asked Keilana if she knew where

STATE OF WISCONSIN - VS - Keilana Marie Brunette

Prez's cell phone is and she felt Prez I phone 13 was at the jail in Prez property. Keilana stated there was nothing distinctive on the phone other than it has a clear phone case. I asked Keilana if the phone was at the house and she stated, "No". I asked Keilana if there was anything else at the house and she stated, "No one gave me nothing, no one has been in my room". Keilana stated she is a stay at home mom so she would know if someone else was in her room or at the house. I asked Keilana if she has been able to talk to Prez and she stated she has. Keilana stated Prez told her that he didn't do it and he doesn't know why people keep blaming him. I asked Keilana if she knew where Prez's phone was and she stated we won't find it at the house. ***I asked Keilana if she talked to Prez about what to do with his cell phone or SIM card and she stated, "No"***. I asked Keilana if she knew if there were any guns or ammunition in the house. Keilana stated they might find a magazine in the house and she didn't even know if there was bullets in it. I asked Keilana if there was ammunition or bullets in the house and she stated, "No". I went though the warrant with Keilana and asked specifically for bullets with a pink tip. Keilana stated she has never even seen a bullet like that. Keilana stated she has no interest in guns. Keilana stated she didn't take her car to get Prez because it is not drivable so she took her mom's car. Keilana stated her mom's car is a Buick Enclave and described it to be a SUV dark gray color. Keilana stated the SUV is registered to grandma, P.A.D.. Keilana stated her mom current has the Buick but she doesn't know where she is now. Keilana was again reminded the squad doors are unlocked and she is free to go in and out of my vehicle. Keilana stated she didn't want to give me a statement but would be willing to talk about any items that we located in the house. Keilana stated she wanted her vape and confirmed her bedroom is the last room the left. Keilana asked for her cellphone and stated it was laying on her bed charging. Keilana stated she did not give us permission to go through her cell phone. Keilana stated Prez was doing really good with treatment court and has been clean and working. Keilana admitted Prez drank on his birthday but other than that he has been really good.

I asked Keilana why she didn't just tell me she picked up Prez at 6 in the first place. Keilana stated she didn't want to get in the middle of all this. Keilana stated the only thing she lied about was the time she picked up Prez. At 1435 hrs. I told Keilana I wanted to fill out statement sheet and write refused on it so it showed that at this time she didn't want to give a statement nor give us access to phone. I read this back to Keilana, she agreed it was correct and signed the attached statement.

Phone call with H.H.

I, Investigator Lovato, followed up on this case on the above date. I received a message from dispatch call H.H. back reference information on this case. I called H.H. back and H.H. stated she was upset that we had her truck and asked Keilana why police took it. H.H. stated Keilana told her Prez did it but it was an accident. H.H. stated Keilana trusted me and wanted to talk to me. H.H. stated she asked Keilana if there was anything in the vehicle that we will find, and Keilana stated no there was nothing in the SUV.

I then interviewed Prez G. Wade (dob: 3-1-02) at the Brown County Jail on 3-9-23:

Investigator Dufek and I met with Prez Wade at the Brown County Jail. I told Prez we wanted to take his fingerprints and DNA and asked him if he would allow us to do that and he agreed and stated, "Ya". I supplied Prez with a copy of the associated warrant. ET Mass took Prez's finger prints, and palm prints from both hands and two DNA swabs from Prez's mouth. Prez was cooperative with ET Maas. Prez stated, "I pulled the trigger, boom" and then B.L.P. started to yell and got up and ran to the door. Prez stated he just sat there shocked because he thought B.L.P. was faking. Prez stated B.L.P. ran to the door and stated, "I'm shot nigger" ran back in front of him and dropped. Prez stated he stood up and tried keep B.L.P.'s attention. Prez stated B.L.P. made a noise and made a low short humming noise. Prez stated he called the cops but he was too scared to say he was there. Prez stated he ended up just leaving. Prez stated, "That's my fuckink best friend, I would never mean to hurt his ass, I swear to fucking god". Prez stated he was sitting on the black sofa in the bedroom. Prez stated, "He must have had it, I don't know if I did it, or if he did it but".

Prez stated the only gun he saw was B.L.P.'s tan gun. I asked Prez how he knew if there was a round in the gun. Prez stated earlier he would take the clip out and rack it and there was nothing it in. Prez stated he didn't know if B.L.P. loaded it. Prez confirmed he held the gun in his right hand, was sitting right next to B.L.P., knee to knee, and Prez pointed the gun towards B.L.P.. Prez became upset and stated he and B.L.P. were tight and he didn't want to lie. Prez stated as soon as people find out its him he stated people will try to hurt him. Prez stated he has no problem B.L.P. and if he did have problem with him he wouldn't have been chilling with him all night. Prez stated he didn't know what time C.J.C. came over or who he was with. I asked Prez about the face book live and Prez admitted he was on face book live with B.L.P. to try to get people to come over. I asked Prez if he could tell me where the gun was. Prez stated he was on the highway towards DePere from Lombardi on US 41. Prez stated he threw the gun out the vehicle on the highway. Prez stated he didn't wipe it down or anything and the gun is in a soft pencil, zip up bag. Prez thought it was a white colored pencil box. Prez stated he knew we had his watch but he didn't think he wore it that night. I asked Prez about any ammunition related to this case. Prez stated B.L.P. gave him some bullets, his gun and weed to hold on too. Prez stated he didn't give everything back and kept the bullets in his backpack. I asked Prez how I would know if the bullets were B.L.P.'s. Prez stated the tip of the bullets are red and there should be one other bullet in the box, maybe a full metal jacket. Prez stated the bullet is gold but tip of the bullet is red. Prez stated Keilana told him we were looking for a pink bullet but stated we are looking for a red bullet. Prez stated he went to his Aunties at Smith Street because he was too scared to be at the Swamp Road address.

Investigator Dufek asked Prez if B.L.P. went to the door or anywhere else in the room. Prez stated B.L.P. did not go to where the blood was on the wall and Prez was not sure how it got there. Prez got up and showed us how B.L.P. would have walked around the room. Prez stated he saw blood on B.L.P.'s shirt and blood splatter on the wall. Prez stated he remembered the smell of the gun powder and thought it was weird his ears didn't even ring. Investigator Dufek asked Prez if he would look at a map to show us where he thought he threw out the gun. Prez pointed to an area on the map on Investigator Dufek's cell phone. I asked Prez who Tyler Winters was, Prez stated that is his cousin. Prez stated he uses that name when he orders food. Prez admitted he may have used that name when he called 911. Prez

I asked Prez if B.L.P. had any bad blood with anyone else and Prez stated B.L.P., "Is a crazy person", "He didn't give a fuck". Prez stated there are no creditable threats to B.L.P. and thought anything said was just street banter. I read Prez his statement back to him and we added a how Prez was in shock and put the gun down and I literally didn't mean to do that. **Prez agreed his statement was correct and signed the associated statement.**

Investigator Dufek asked about where the second gun was from the photo of Prez throwing up. Prez stated the only gun he saw was B.L.P.'s gun. Prez described B.L.P.'s gun as a silver top, bottom tan, with a little finger groove on the bottom. Prez confirmed it was a 9mm and there was not a light on B.L.P.'s gun. Prez stated, "It really did get a lot off of me by talking about it". Prez physically looked relieved after our conversation. Prez stated he was worried about how this will look in court. Prez was also worried about Keilana's moms car and when it can be released.

Investigator Dufek told Prez that he felt Keilana was already involved in this case and gave the example of how Prez's cell phone was damaged. Prez stated he broke his phone but we knew through jail phone calls he instructed Keilana to damage his cell phone.

Keilana stated Prez was sitting in the back seat and opened the rear passenger window. Investigator Dufek told Keilana she needed to be honest or should could end up in jail. Investigator Dufek stated he didn't believe Keilana. Keilana stated as they were passing the exit Prez threw possible one or two guns. Keilana stated the gun(s) should be right at the exit. I asked Keilana if I drove her there if she could show me where to go. Keilana refused to go with me. Keilana stated she knew he threw something because she heard it hit the snow. Keilana stated at the Pulaski and Clintonville exit Prez threw something. Keilana stated Prez threw something a little past the Maplewood meats exit, the next exit. Keilana stated she didn't see what was thrown out window.

Follow up 3-21-2023

I, Investigator Lovato, continued to listen to jail phone calls. Due to Prez making mention to talking with Witness 1, I listened jail phone calls from Witness 1 also. On 3-18-2023 at 747 hrs. Witness 1 called a friend and made mention to, "Two of them and a casing". Witness 1 was repeatedly telling her she needed to contact me with this information.

On 3-18-2023 at 1806 hrs. Witness 1 called his friend again asking her if she has called me yet. Witness 1. Again stated, "Two of them and a shell casing". Witness 1 also stated, "Shit is outside anyone can get". With the above phone and this phone call I believe they are talking about the two guns we are looking for and the empty shell casing we never found on scene.

On 3-20-2023 at 1854 hrs. Witness 1 calls his friend again asking her if she has contacted me and specifically states the investigator at Ashwaubenon. She stated she has but this is not true. Witness 1 stated he was worried because, "That thing is outside", "Its off the road its off the sidewalk, like no body is just gonna find it unless your looking umm for it", "I don't like it being out there". Witness 1 stated, "Baby did you tell them the shell casing is with it too" and states, "There are 2 guns and shell casing". Witness 1 stated, "He told me he put them in a bag and he told me where he put um". She stated, "They are still talking about that thing on the news". Witness 1 stated, "The homicide" and stated, "He hasn't been charged with anything yet".

Meeting with Witness 1:

I, Investigator Lovato and Investigator Dufek met with Witness 1 who stated he has basically grown up with Prez and has lived with Prez on and off. He explained how his family and Prez's family knows each other. Witness 1 stated when Prez came into the jail Prez told him about, "The two guns and that he picked up the shell casing when he left", "He told me

STATE OF WISCONSIN - VS - Keilana Marie Brunette

he broke his phone and took the SIM card out of it". Witness 1 stated he knew that Prez told him about stuff that he knew Prez didn't tell me. **Witness 1 stated he knew we took Prez car and that Keilana picked up Prez in H.H.'s vehicle. Witness 1 stated Prez told him we were looking for two guns and made mention to a picture with two guns. Witness 1 stated Prez took both guns even though he told us there was only one. Witness 1 stated Prez also took the shell casing that was left at the apartment. Witness 1 stated Prez put the items in a bag and hid them, and told Witness 1 where he put the items. Witness 1 stated before Valentines day B.L.P. had sex with Keilana. Witness 1 stated this came up a couple times between B.L.P. and Prez. WITNESS 1 stated Prez "Popped him in the side when he was on the couch".** WITNESS 1 stated B.L.P. got up and kinda walked around until he fell to the ground. WITNESS 1 stated Prez called Kei to come pick him up and went home and took 4 showers to wash up in case we came over. WITNESS 1 stated Prez told him the next day he went to court and he was picked up on a probation hold. WITNESS 1 stated Prez told us it was an accident and that we checked a location where Prez told us to look for the guns. WITNESS 1 stated he told Prez to be honest with the Police because we can look up all kinds of stuff on his phone. I asked WITNESS 1 why Prez told us to go to the wrong spot to find the guns. WITNESS 1 stated Prez stole a bunch of guns a few years ago and these two guns might be related to that. WITNESS 1 also said both guns were Prez's. WITNESS 1 stated Prez told him Keilana won't tell Police where the guns are at and that we know she lied about a few things. WITNESS 1 stated Prez told him he was going to try get the guns moved because he was worried Keilana knew where the guns are. I asked WITNESS 1 where the guns are and he stated Prez told him when you come into Shawano on 29 the first exit where the Shell gas station is, when you get off that exit its by the tree line in a bag. WITNESS 1 stated the two guns and the shell casing is in the bag. WITNESS 1 stated its the exit where the Shell gas station is, on that exit. Investigator Dufek pulled up a google map and showed WITNESS 1. WITNESS 1 pointed to Investigator Dufek's work cell phone off the exit by the tree line. WITNESS 1 stated he told Prez when he gets out he wanted to find it so WITNESS 1 could sell it. Prez told him it would be too rusty and that a tractor mowing wouldn't pick it up. WITNESS 1 stated they weren't gone long and their original plan was to take off but they came back. WITNESS 1 stated Prez told him its on the exit by the first Shawano sign as you come into town.

WITNESS 1 stated he believed Prez and that Prez is honest with him.

WITNESS 1 circle back and again stated how B.L.P. had sex with Keilana. I asked if WITNESS 1 thought the baby was B.L.P.'s and WITNESS 1 stated he wasn't sure and that B.L.P. had sex with Keilana a long time ago. I asked WITNESS 1 if would be willing to give me a written statement and he stated he didn't really want to be a part of this but knew if we needed him to testify he would.

Investigator Dufek asked WITNESS 1 he felt the shooting was an accident and WITNESS 1 stated he thought there was more to the story. WITNESS 1 stated he knew a while back Prez had a bunch of guns in the back of Keilana's car. WITNESS 1 stated Prez has handled plenty of firearms and he felt Prez knew how to handle a gun. WITNESS 1 stated he felt Prez should know better then to point a gun at someone. WITNESS 1 stated he thought it was weird that Prez brought up the issue with B.L.P. and Keilana. WITNESS 1 stated he told Prez multiple time to not be messing around with guns. WITNESS 1 stated was concerned if kids go back and play where the guns are that someone could get hurt. Through out our conversation WITNESS 1 seem to be genuine and did not want to put anything in a written statement at this time. I also called Shawano County Sheriff's Department to see how much snow they have. Per the patrol shift commander they still had 0-18" of snow depending on the area. I

STATE OF WISCONSIN - VS - Keilana Marie Brunette

specifically mention the area I was concerned about and was advised that area still is snow covered.

Follow up 2-23-2023

I, Investigator Lovato, followed up on this case on the above date. I was contacted by the State of WI crime lab employee and forensic **analyst Kevin Scott who stated they have preliminary findings of the red substance located on Prez's shoes was confirmed as human blood. Based off of comparison DNA it was 1 in 1 quadrillion that the blood on the shoes was B.L.P.'s.**

Follow up 3-27-2023

I, Investigator Lovato, received an email from on March 25th 2023 in reference to WITNESS 1 knowing the locations of the guns from this case. The letter states he needs to talk to me about this location as soon as possible. Witness 1 wrote, "Tell her the guns were tossed from the car in the area I said as they drove by and they there were in a Michael Kors make up bag, both of them!", "There were aluminum poles laying along the road side were he tossed them", "Also tell her the bullets found in his backpack were from second gun". I also continued to listen to jail phone calls, please see the attached running document reference jail phone calls and text messages. I also made contact with Shawano County Sheriff's Department and spoke to the patrol Lt. reference this case. I told the Lt. if anything suspicious is located in a makeup or pencil bag to please call me directly as soon as possible. I told the Lt. it was reference evidence for this case and that it was DNA sensitive. Pe the Lt. their highway department will be starting road construction on that area this week. The Lt. stated he would get this information out to the highway department also to make sure no one touches and suspicious bags. The weather is still cool with minimal snow melt from our last snow storm on Saturday. Keilana called and left me a message to call her back because she needs her phone. I called Keilana back a told her, her phone was not done yet and that the codes she gave us were wrong therefore the phone was now locked out. Keilana asked to come to the station so she could try to unlock the phone. I told Keilana that was not going to happen. I told Keilana due to being locked out of the phone its was highly likely we would have to damage her cell phone to get into it. Keilana yelled at me and told me I couldn't do that. Keilana asked me why I didn't call her last week and I told her I did call her and she didn't answer the phone. Keilana be came angry and yelled, "You dumb bitch if you would have called me last week this wouldn't have happened". Keilana then hung up on me before I could respond.

Follow up 3-30-2023

I, Investigator Lovato, followed up on this case on the above date. At 1144 hrs. Lt. Nick Prey from Shawano County Sheriff's called stating the Highway Department had located a bag with guns in it. Upon arrival we met with Highway Department Staff . It was determined that a highway employee was driving on Highway (HWY) 29 EB in a highway department truck with another employee as a passenger. They noticed a bag on the right side of the HWY 29 on the WB lane near the exit for HWY 160 near Witt Auto . They turned around and drove back to the location where they saw the bag. Upon arrival they picked up the bag and noticed it was heavy. He stated he put the bag on the truck floor and opened and located 2 handguns. They confirmed the zipper was not closed all the way and was hard to open. They located a black and a silver/black handgun. They further stated the black gun had the magazine removed and the other silver/black gun still had the magazine in the gun, but both guns were not loaded/ did not have a bullet in the chamber. They made sure the guns were safe and not loaded. When they returned to the shop, they picked up the guns to look at them. And they all handled the

STATE OF WISCONSIN - VS - Keilana Marie Brunette

guns with their bare hands. Law enforcement then took custody of the two guns, magazines, rounds located in the bag and the bag. The area the evidence was located is similar to what Keilana told me when I met with her. Keilana stated the guns were thrown out the window by the, "Dealership" where the ramp starts. The guns were located by the Witt Auto dealership not the S&L Dealership where we had previous searched.

Follow up 4-11-2023

Keilana called me at 1413 hrs. and left a message for me to call her back. In the message Keilana stated she needed her SIM card back but she stated we could keep the phone. Keilana stated she gave us permission to damage her cell phone or do whatever we needed to do to move this process along. Keilana stated she thought she gave Investigator Dufek the correct passcode for her phone. Keilana asked how much longer this was going to take. At the end of our conversation I asked Keilana if there was anything else she could tell me to help move this case along and she stated there was nothing else she could think of.

3. Your complainant's review of the reports of Captain Brian Amenson of the Ashwaubenon Department of Public Safety, who indicates: I arrived and was met by many family members. I informed them that B.L.P. was deceased due to what was believed to be a homicide involving a firearm. I spoke to A.J. and he stated he knew his son, B.L.P. was with Prez Wade. A.J. stated he was in Facetime contact with B.L.P. at 11PM on 2/28/23 for approximately 7 minutes. A.J. stated he witnessed both of them in the call. A.J. did not state others were on scene. I asked if B.L.P. owned a firearm. A.J. stated he did have a silver over black small caliber handgun. A.J. though it was a 9mm. The firearm was smaller in size. The group stated they felt Prez was involved.

Creekwood Apartment Video Review

On 03/14/23 at approximately 7:30AM, I removed exhibit 752001 from evidence locker 10 and assigned it out for investigations. This exhibit was the video from Creekwood Apartment Front Lot and Shop Driveway surveillance cameras. The camera system time is not correct. The camera system is two hours off. The video was from the timeframe of Ashwaubenon Case# 23-402800. I reviewed the clips from the front lot camera and located the Buick Enclave that Keilana Brunette claimed to be driving arriving at the complex at 6:23:32. Dark colored Buick Enclave. The Buick Enclave then left on the front lot camera at 6:28:46. I then reviewed the shop driveway camera footage and the Buick Enclave is seen arriving at 6:23:48 and leaving at 6:28:34. The Buick Enclave drove directly past a fully marked squad car when leaving the scene.

4. Your complainant's review of the reports of Investigator Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates:

I reviewed six phone calls made between Prez Wade and Keilana Brunette. These phone calls were made from within the Brown County Jail, Curry Lane, City of Green Bay, Brown County, Wisconsin where Prez is currently housed and Keilana. In the six phone calls, several moments in these calls were of significance. This includes the conversations of the possible destruction of evidence (Prez 's cell phone) and having possession of gun ammunition.

Below I 've transcribed the jail phone calls of significance, each with the date and time of call along with the time within the call.

5. Your complainant's review of the reports of Investigator Zach Jakel of the Ashwaubenon Department of Public Safety, who indicates: On March 9th, 2023, at approximately 8:18 am, I (Investigator Zach Jakel) attempted to contact Keilana Brunette using the phone number 920-332-****. This is the phone number she had been using to contact Prez Wade while he has

STATE OF WISCONSIN - VS - Keilana Marie Brunette

been incarcerated within the Brown County Jail. Within these messages, Keilana has made comments such as:

03-08-2023 at 5:08pm CST - "This just sucks overall man. I don't wanna have to say anything but I feel like I have to save myself from losing my child. She's more important to me babe fr."

03-08-2023 at 5:09pm CST - **"We always gonna be here babe fr. I just can't keep doing this and they find out I was lying and get myself in trouble and bby gets taken away."**

6. Your complainant's review of the reports of Inv. Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates: ***During the execution of the search warrant for Prez Wade 's Apple iPhone , the badly damaged front screen of the phone made it impossible to perform a forensic download of the phone 's data.***

7. Your complainant's review of the reports of Inv. Melanie Lovato of the Ashwaubenon Department of Public Safety, who indicates: I, Investigator Lovato, followed up on this case on the above date. I received an email from the Brown County Jail Cpl. stating Witness 1 was requesting to meet with me. The email stated, "Please forward to ashwaubenon investigatator lovato about homicide and hat he admitt to doing it intenionally". I called the Brown County Jail and made an appointment to meet with WITNESS 1 on this date at 0930 hrs.

At 0935 hrs. I met with Witness 1 at the Brown County Jail. I recognized Witness 1 from previous contacts. Witness 1 started to talk about Prez and the shooting. I read WITNESS 1 his rights. WITNESS 1 stated he understood these rights and agreed to give me the attached written statement. Witness 1 stated Prez told him the guns from this incident are in a Michael Kohrs makeup bag near some aluminum things on Highway 29. Prez told WITNESS 1 the guns were thrown from the vehicle as it was moving, near the exit but it is unclear which side of the road the guns are on. Witness 1 said it is by the exit by the Wolf River by the Shell gas station and they where in H.H.'s vehicle.

WITNESS 1 stated ***Prez told him there are two guns*** and WITNESS 1 made reference to the photo we showed Prez with Prez vomiting with the guns in the photo on the bathroom vanity. Prez told WITNESS 1, B.L.P. took that photo. WITNESS 1 stated ***Prez told him he had thought about shooting B.L.P. before it actually happened. WITNESS 1 stated B.L.P. started to get involved in Prez and Keilana's relationship.***

WITNESS 1 stated Prez and B.L.P. argued a couple years ago, because they were both sleeping with the same girl. WITNESS 1 stated Tyler Winters and B.L.P. took Keilana out, and B.L.P., "Ended up fucking her". WITNESS 1 confirmed this is the same Keilana, Prez has a baby with.

WITNESS 1 stated when Prez got the backpack, Prez planned to take the bullets out of the gun. This is in line with what Prez told me earlier and how he took a backpack for C.J.C., B.L.P.'s roommate. WITNESS 1 stated when Prez talks about B.L.P., he will talk about how B.L.P. did Prez wrong. WITNESS 1 stated Prez will try to justify himself by what B.L.P. did to Prez.

WITNESS 1 stated, Prez's baby momma, Keilana slept with B.L.P.. WITNESS 1 stated when Keilana got her, "Tribe money for turning 18", \$30,000, Keilana took Prez and his mom to CA.

STATE OF WISCONSIN - VS - Keilana Marie Brunette

While in CA, Keilana, "Surprised" Prez by inviting B.L.P. to meet them in CA. WITNESS 1 stated Keilana planned this and paid for B.L.P. to come out and visit but tried to make it look like she was doing Prez a favor by having his friend come to visit them. Per WITNESS 1, Prez did not take B.L.P. showing up well.

WITNESS 1 stated Prez told him when he would hang out with B.L.P., they would talk about girls Prez was dating and B.L.P. would tell Keilana. Prez felt that B.L.P. kept snitching on him, and B.L.P. would tell Keilana that Prez was cheating on her. WITNESS 1 stated he had never meet B.L.P. but that he and Prez were dating and had slept with some of the same girls.

WITNESS 1 stated New Years Eve 2023 B.L.P. showed up where Prez, Keilana and Keilana's mother, H.H. were. WITNESS 1 stated he didn't know where they were at that time. That night Prez was the designated driver and watched everyone else get, "Buzzed up". WITNESS 1 stated they were doing lines of coke and drinking. That night Prez again thought Keilana was running around with B.L.P. due to B.L.P. just showing up where they were. Prez thought Keilana told B.L.P. where they were and they were talking behind Prez's back. WITNESS 1 stated it was starting to build on Prez that Keilana and B.L.P. were running around.

Valentines Day 2023 Keilana found out from B.L.P., Prez was sleeping with A.C. Prez found out B.L.P. snitched on him. Keilana found out Prez had sex with A.C. due to B.L.P. telling Keilana. Prez was supposed to be with Keilana on Valentines Day not these other girls. C.J.C. and B.L.P. called Prez asking Prez to hold on to a bag with weed, a gun and bullets in it, as mentioned above. C.J.C. knew his PO was going to come over for a home visit so C.J.C. wanted to get the gun and weed out of his house.

Prez told the Police found the backpack with the bullets in it and we found the, "G box", box. WITNESS 1 told me the "G box" was the Glock box. I asked WITNESS 1 which gun was who's. WITNESS 1 stated he thought the Glock was Prez's due to the Glock box being at Prez's house. **Prez said Prez left the bullets in the bag on purpose. Prez told WITNESS 1 he took the bullets out of B.L.P.'s gun, told B.L.P., "He forget them" and returned the gun empty to B.L.P.. WITNESS 1 stated Prez told him, "He was scared if he popped him he would be able to shoot back". WITNESS 1 stated Prez told him, he left the bullets in H.H.'s SUV so B.L.P. could not load his gun. WITNESS 1 stated Prez told him he wanted to make sure, "B.L.P. couldn't shoot him back".**

Witness 1 told me the statement Prez gave me was wrong and Prez told him that we missed the black sweatshirt he was wearing and his pants. Witness 1 stated Prez showed him a copy of the statement I took and that Prez got it from his PO. **Prez told Witness 1 he had his arm down so he could push B.L.P. off of him if he fought him after Prez shot him. Prez stated he had his gun in his lap and was thinking about how he could do this so it didn't look intentional. WITNESS 1 gave the example of Prez knowing he couldn't be standing over B.L.P. due to bullet trajectory.** WITNESS 1 stated Prez lied to me about what side of him B.L.P. was sitting on. Prez also told WITNESS 1 he knew that we recorded our interview with him.

WITNESS 1 stated **Prez regretted ever talking to me and Prez thought because his statement is wrong it would give him leverage on his charges.** WITNESS 1 stated Prez feels that because he spoke to Police we believe what Prez told us. WITNESS 1 stated Prez took both guns and the casing, locked the apartment door and left. WITNESS 1 **stated Prez**

STATE OF WISCONSIN - VS - Keilana Marie Brunette

told him he call 911 and saw Police as he was leaving the apartment complex. WITNESS 1 stated Prez told him he saw Ashwaubenon coming in the apartment complex driveway at the same time he was leaving. Prez told WITNESS 1, Prez told us the wrong area that they drove to after the shooting. Prez also told WITNESS 1 he took a bunch of showers after he shooting.

Witness 1 stated this whole thing is just sad and hard to talk about and stated he has never heard anything like this before. I asked Witness 1 if Prez became upset when he told him about the shooting and he stated Prez did not cry and is just worried about getting out to see Keilana. Witness 1 stated Prez is worried if their baby is his or B.L.P. but now he feels it is his because she look like Prez. Witness 1 stated Prez told him he should have never gone to court the next day and they should have just left and went to Hayward and went to the LCL reservation. Witness 1 stated Prez told him they drove 30-40 miles down 29 and then came back. WITNESS 1 stated Prez told him Prez wished he would have never been messaging people that night because people knew he was with Prez. **WITNESS 1 stated Prez told him he just wishes things were more calculated in what he did.** WITNESS 1 stated Prez didn't want Police to know he was drinking but knew Police would see the Corona bottles.

WITNESS 1 stated Prez constantly asks him, "Hey do you think they will just let me go" and asks what he will get charged with. I slid my lap top over to WITNESS 1 and let him read his attached statement. WITNESS 1 agreed it was correct and signed it.

WITNESS 1 stated Keilana listed her phone as missing so if we let her come down to the station and use her phone it would wipe the phone. **WITNESS 1 stated Prez told him that he thought Keilana would have messages from B.L.P. on her phone.** WITNESS 1 stated he asked Prez what Keilana knows. WITNESS 1 stated Prez won't answer questions about what Keilana knows. Witness 1 also felt Keilana had to see the blood on Prez's pants when she picked him up, so she had to know something happened.

Follow up 5-4-2023

I, Investigator Lovato, continued to listen to jail phone calls reference this case. Prez called Keilana and told her I was listening to their jail phone calls. All jail phone calls state at the beginning they are not private and may be monitored. This phone call was made on 5-2-2023 at 1953 hrs. Prez continues and tell Keilana I will be writing you a letter soon. Keilana stated, "Your gonna put it in someone else's name" and Prez stated no. Keilana stated, "Then why did you say that". Prez stated, "Shhhhhh".

I met with WITNESS 1 on this date at 1455 hrs. I told WITNESS 1 I was at the jail due to the voice mail his attorney left me requesting I meet with WITNESS 1. WITNESS 1 stated Prez told him Keilana was at the earlier that night the day of the shooting. WITNESS 1 stated Prez passed out, woke up and found Keilana and B.L.P. together in the bedroom. WITNESS 1 stated Prez started to argue with B.L.P. and Keilana and Keilana left. WITNESS 1 stated Prez didn't say specifically what Keilana and B.L.P. were doing in the bedroom.

WITNESS 1 stated Prez told him he and B.L.P. kept arguing. WITNESS 1 stated Prez told him he walked up and popped B.L.P.'s ass. WITNESS 1 stated Prez told him he didn't even remember hearing the shot. WITNESS 1 stated Prez told him, B.L.P. stated, "You shot me nigger" and B.L.P. had walked to the door, gasped and fell by Prez's legs. WITNESS 1 stated Prez told him Prez took the guns and the empty shell casing. WITNESS 1 again stated the gun

STATE OF WISCONSIN - VS - Keilana Marie Brunette

B.L.P. had was empty. WITNESS 1 stated when Prez saw Keilana and B.L.P. in the bedroom together, this pushed Prez to do it.

WITNESS 1 stated Prez told him Keilana was at the apartment before B.L.P. got shot. WITNESS 1 stated he wasn't sure if Keilana was in the apartment at the time of the shooting but Prez stated she was there. WITNESS 1 stated Prez told him Prez called 911 and locked the door. WITNESS 1 stated Prez ordered envelopes so he can write Keilana a letter but he might use "Joe Webster's" name and send it to Keilana's brother. WITNESS 1 stated he knows Prez will send it to the Swap Road address. WITNESS 1 stated Prez doesn't want us to see what mail he is sending out.

WITNESS 1 stated he asked Prez what did Keilana think when you got in the car but Prez won't really answer that. WITNESS 1 stated Prez is worried we will test the Corona Bottles and found out Keilana was there. WITNESS 1 stated Prez is worried if we believe his story about being there alone with B.L.P.. **WITNESS 1 stated Prez told him Keilana damaged Prez's cell phone and took out Prez's SIM card. WITNESS 1 stated Prez is worried we will get his and Keilana's text messages reference Prez and Keilana arguing about B.L.P. and Keilana.** WITNESS 1 stated Prez is worried Keilana will turn on him to protect her and the baby.

WITNESS 1 stated Prez told him both guns are his, even though he let B.L.P. have a gun for a short period of time, for protection, but they are both technically Prez's guns. WITNESS 1 stated Prez told him one gun does not have a serial number on it. I let WITNESS 1 read his statement back to him and he agree it was correct.

Follow up 5-12-2023

I, Investigator Lovato, continued to follow up on this case by listening to jail phone calls. Per jail phone calls from Prez to Keilana and WITNESS 1' above statement I notified the jail that Prez would be sending a letter to Keilana reference this homicide. I spoke to Brown County Jail Staff, via phone requesting that Prez mail be held. Jail staff requested I send her an email with this request which I did on Tue, May 4th 2023. I told the jail staff that Prez would most likely be sending the letter to someone at 1335 Swamp Rd. They advised It was highly likely Prez would not list his name as the sender. I was also able to confirm per jail phone calls, Prez would be sending the letter out on Sunday.

Jail staff emailed back that the information about Prez sending a letter was given to his POD and they would contact me Monday if a letter is located. On Monday, May 8th at 1317 hrs, I emailed staff to see if staff found a letter to the above address and they emailed back and she confirmed they had not found a letter. I continued to listen to phone calls to see if Prez and Keilana made any mention to a letter from Prez.

On May 10th 2023 at 1248 hrs. Prez called Keilana and Prez asked Keilana if she read the letter and stated, "All 6 pages". Keilana stated she did and joked about how Prez wrote all over the margins of the letter due to the cost of sending the letter, he wanted to get his monies worth. It is unknown who or how this letter was missed by jail staff. It is also unknown what was discussed in the letter.

8. Your complainant's review of the reports of Inv. Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates: On May 22, 2023, I met with Witness 1 to go over transcripts of his prior interviews.

I told WITNESS 1 to explain the conversations to me and include anything that was directly involved with the homicide investigation. WITNESS 1 began by telling me of the conversation with Prez about the gun that was used in the homicide. Prez told WITNESS 1 he used the "Glock 26 " to shoot B.L.P.. WITNESS 1 added that he was told this Glock was a 9mm and had an extended magazine in it (this is confirmed-the firearm recovered was a Glock with an extended magazine). Prez said the "tan " colored pistol seen in the picture was not used (again confirmed- the second firearm recovered was tan in color). The picture Prez was referencing was taken the night of the incident and showed two pistols, the Glock he referenced with the extended magazine and a tan colored pistol. Prez had knowledge we had recovered this picture.

Prez also explained to WITNESS 1 how he loaded the extended magazine. Prez said he loaded a "red tipped " round on top, meaning the first round to be fired (this is confirmed- the bullet fragments recovered from B.L.P. 's body had red markings). WITNESS 1 said Prez described this "red tipped " round as a bullet that acts like "bird shot ", fragmenting once it strikes something. Prez explained the next round he loaded was a "full metal jacket " bullet (this is confirmed- the next round in the extended magazine was a fill metal jacket style round). This was loaded next "in case he (B.L.P.) didn't go down ". WITNESS 1 also added that Prez explained he purposely unloaded B.L.P. 's pistol in the apartment that night so B.L.P. wouldn't "shoot back " after being shot by Prez. After Prez shot B.L.P., Prez told WITNESS 1 he went down by B.L.P. and heard him "gasping for air " and knew he "was dead ".

WITNESS 1 said Keilana was in the parking lot of the apartment complex when the shooting occurred. Prez said after shooting B.L.P. and calling 911, he went to the driver 's side window of Keilana 's vehicle and told her "I shot him ". Keilana replied "is he dead? ". Prez replied to Keilana "yeah ". Keilana then told Prez he was "so fucking stupid ". Prez then got into the car and made mention of meeting an Ashwaubenon Public Safety squad car while leaving the apartment complex (this is confirmed-Creekwood Apartment video showed Keilana and an Ashwaubenon squad passing each other).

I asked WITNESS 1 if while speaking with Prez if he thought Keilana was aware of what was going on inside the apartment while she waited in the parking lot. WITNESS 1 said he was not sure if she knew, but he did know that Keilana was told by Prez to come pick him up. I also asked if Prez mentioned where the baby was while Keilana was picking Prez up that morning, knowing they had a young baby. WITNESS 1 said he knew the baby was "at home with Keilana 's sister ". WITNESS 1 said he wasn't sure of her name though.

WITNESS 1 also brought up the conversation about Keilana being at the apartment earlier in the night of the incident. I had already learned from a previous interview this fact, but asked WITNESS 1 to continue. WITNESS 1 said after waking up from being passed out in the living room (Prez passed out is confirmed by both text messages and photos taken by B.L.P.), Prez found Keilana was over and was hanging out with B.L.P. in the bedroom. I asked WITNESS 1 if he heard from Prez about what the two of them were doing, especially if they were engaged in any "romantic " type activities (from simple kissing to having sex). WITNESS 1 said they

STATE OF WISCONSIN - VS - Keilana Marie Brunette

were not, just "hanging out ", talking. WITNESS 1 added that an argument ensued between Prez and Keilana, assuming over her being there with B.L.P.. Because of the argument, Keilana left the apartment. I asked WITNESS 1 when this argument took place. WITNESS 1 said he knew it was "earlier in the night ".

I asked WITNESS 1 based on his conversations with Prez if he knew why Prez shot B.L.P.. WITNESS 1 said Prez had several conversations with him about B.L.P., specifically about the relationship between B.L.P. and Keilana. Prez felt that B.L.P. "shouldn 't be up in my girl " and B.L.P. was not a good friend. The feelings of Prez were made referencing the sexual contact B.L.P. had with Keilana and their relationship. I asked WITNESS 1 if he felt Prez shooting and killing B.L.P. was in response to these feelings of betrayed trust and jealousy. WITNESS 1 felt this was the case and the "shooting was no accident ". WITNESS 1 said with all the things Prez told him (some of these things are outlined in this report), it seemed way more planned than just messing around with a gun and it was an accident.

I asked WITNESS 1 if he was willing to provide a signed written statement to what he told me. WITNESS 1 said he would. A written statement was provided by WITNESS 1. Before signing, WITNESS 1 reviewed the statement for correctness. WITNESS 1 then signed the written statement, verifying it was true and correct to the best of his knowledge.

9. Your complainant's review of the reports of Inv. Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates: *Background - On March 1, 2023 at 0621 hrs, Brown County Communications Center (Dispatch) received a 911 call from 920-247-4231. In this call, a male, identifying himself as "Tyler Winters " reporting hearing a "gunshot wound " on "Viking Drive ". The caller stated he was "not sure " of the address on Viking Drive and stated he heard "one gunshot ". The caller then said it was "2851 Viking Drive " but was unclear what apartment the gunshot was heard from. The caller was also unsure what apartment he was in. The apartment number "1D " was mentioned by the caller identifying what apartment he was in. The caller said he was wearing "black pants " and a "blue shirt " and was "23 years old ". The caller did not know the phone number he was calling from. The 911 call lasted five minutes and thirty-seven seconds and abruptly ended as the caller hung up.*

It was important as part of this investigation to ascertain the ownership of 920-247-**** and its association with this homicide, including any phone calls or messages sent via this account.

I conducted a search of 920-247-4231 using Zetx. Zetx is owned by LexisNexis Risk Solutions and provides cellular service carrier information and subscriber data for cellular phone numbers when searched for or requested by law enforcement. This is searched via an online portal. I've used Zetx in the past and it is considered a reliable source for carrier and subscriber information.

The Zetx search provided results that the number was assigned to AT&T Mobility and had a subscriber name Prez Wade. I prepared a search warrant pursuant to Wisconsin State Statute 968.375(3) issued to AT&T Mobility. On March 31, 2023 I received the data from AT&T in response to the warrant.

The subscriber was listed as **Prez Wade, 1335 Swamp Rd, Green Bay, WI 54313 .**

There was also another phone associated with the AT&T account. This was 920-247-4752.

STATE OF WISCONSIN - VS - Keilana Marie Brunette

Keilana Brunette is identified as owner of this phone.

10. Your complainant's review of the reports of Inv. Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates: Multiple warrants were drafted in this investigation. Below is a list of the warrants I drafted, presented to, and signed by a judge or court commissioner, and executed. The findings of the warrants that are of investigative value are listed under the appropriate warrant. Other warrants without data of investigative interest are not included here.

AT&T Warrant - (920) 247-4231 Prez Wade 's Phone Account (evidence tag #729003)

The account is held by Prez Wade with an address listed at 1335 Swamp Rd, Green Bay, WI.

In reviewing the call records, the phone call to 911 was recorded at 0621 hrs (1221 UTC). The 911 phone call was logged as five minutes and thirty-six seconds long, consistent with the 911 call recording obtained from Brown County Communications Center.

Additionally, numerous phone calls to and from Keilana Brunette 's phone (920) 247-4752 was logged in the early morning prior to the 911 call. Starting at 0436 hrs to 0531 hrs, 13 phone calls were made between Keilana and Prez. Many originate from Keilana's phone number to Prez.

Also, while the 911 call was active, six additional phone calls from Keilana went unanswered while Prez was on the phone with the 911 call taker.

I extracted the two pages of the call records pertinent to this activity and attached it to the case file under filename "AT&T Call Records - Prez Wade ". I highlighted the 911 call in red color and the calls to and from Keilana Brunette in green color.

Location records from the account are consistent with Prez being at the apartment as Prez stated he was. The plotting of the 911 call placed the cell phone directly in front of the incident location 2856 Viking Drive. I created a map with the exact coordinates pinpointed on the map. I attached this map to the case file as "Prez Wade - 911 Call Location ". A second location was captured by Brown County Communications Center at 0636 hrs. The last location captured was near 2774 Viking Drive, near the roadway. This would be consistent with Prez leaving the apartment complex with Keilana as seen on video surveillance at the complex main office. I also created a map with this location and attached it to the case file as "Prez Wade - Second Location on Viking Drive ".

I also plotted coordinate data on his location after the 911 call on March 1, 2023. The plotting shows his device traveling westbound Sth 29 toward the City of Shawano, then back eastbound toward the Green Bay area. Again, this shows consistency with the location of where the firearms were recovered by Investigator Lovato and CST Maas. I created a map using the plotted location points and saved it to this case file under the name "Prez Wade - Cell Locations 03-01-23 ".

AT&T Warrant - (920) 247-4752 Keilana Brunette 's Phone Account (evidence tag #729004)

STATE OF WISCONSIN - VS - Keilana Marie Brunette

The account for Keilana 's phone was held by Prez Wade with the 1335 Swamp Rd, Green Bay, WI address.

In reviewing the call records, the phone calls between Prez Wade and Keilana were also documented consistently with what I found in Prez Wade 's records (discussed previously).

I also reviewed the location information provided by AT&T. Keilana was in or around the area of 2856 Viking Drive at 2125 hrs and 2320 hrs on February 28, 2023. I captured these two location plots in a map and attached them to this case file under "Keilana Brunette - Viking Dr 02-28-23 ".

I also plotted the location data from March 1, 2023. This again was consistent with the location data plotted in Prez Wade 's data.

Keilana 's phone plotted near Viking Drive at 0621 hrs, near the time of the 911 call. The plotting also clearly shows her path from Green Bay to the City of Shawano using Sth 29. I created a map using these plotted location points and attached it to this case file under "Keilana Brunette - Cell Locations 03-01-23 ".

Search Warrant - Keilana Brunette 's Apple iPhone (evidence tag #809064)

Keilana 's phone was protected by passcode and Keilana provided several incorrect passcodes to unlock the phone. It is believed, by reviewing recorded jail phone calls between she and Prez Wade, she did this purposefully to mislead our investigation and the execution of this warrant. After a set number of failed attempts, the device will automatically lock out indefinitely or go to a factory reset state, destroying all the data contained within. The phone will be searched when the forensic extraction software can be updated to defeat the passcode.

Search Warrant - Prez Wade 's Facebook Account (evidence tag #729007)

In reviewing the data provided by Facebook, a message conversation between Prez and Keilana Brunette took place at 0624 hrs on March 1, 2023. A Facebook Messenger call was missed by Prez at 0624 hrs, followed by two messages stating "helloo " and "im here " also at 0624 hrs. This was during Prez 's 911 phone call. Keilana made these Facebook messages after her phone calls to Prez went unanswered one minute prior. I attached a copy of this message conversation to this case file under "Prez Wade Facebook Message with Brunette 03-01-23 ".

11. Your complainant's review of the reports of Inv. Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates: On March 15, 2023, Brown County Drug Task Force (DTF) Forensic Examiner Breanne Kimball completed a forensic download of B.L.P. cell phone. I completed an analysis of the data contained in the phone. Several key pieces of evidence were obtained during this analysis.

Specifically:

A Facebook Messenger conversation between B.L.P. and Keilana Brunette. The conversation took place 2049 hrs (0249 UTC) on 02/28/23. The conversation stated:

STATE OF WISCONSIN - VS - Keilana Marie Brunette

KEILANA BRUNETTE: "is he okay? hes not answering me "

B.L.P.: "Yea he taking a nap "

KEILANA BRUNETTE: "is he " "my god lmaoo "

B.L.P.: *photo sent referenced above*

KEILANA BRUNETTE: "when shud i come get him "

B.L.P.: "Whenever he wake up " "Like 10:30 latest nbs "

KEILANA BRUNETTE: "okayy lmk if anything happens " "okay yeah if he dont text me before that ill text you when im omw "

Additionally, within this message conversation, Keilana Brunette called B.L.P. at 0625 hrs on 03/01/23. Moreover, Keilana also "unsent " two messages she sent to B.L.P.. These two messages were "unsent " at 0625 hrs on 03/01/23. I am unable to recover the original message that was sent prior to removing it by unsending feature.

A photo taken at 2001 hrs (0201 UTC) on 02/28/23 by B.L.P.. This photo was of Prez sleeping on the couch of the living room apartment.

A video taken at 2012 hrs (0214 UTC) on 02/28/23 by B.L.P.. This video was taken in the bathroom of the apartment. The video shows Prez vomiting in the toilet. Sitting on the counter of the bathroom sink is two hand guns. The two guns are stacked on top of each other. The gun on top had a large extended magazine.

I captured screen shots of the video depicting the firearms on the bathroom counter. These images were uploaded to Axon Evidence for storage.

13. Your complainant's review of the reports of Inv. Aaron Dufek of the Ashwaubenon Department of Public Safety, who indicates: On June 7, 2023, we received the Postmortem Examination Report/Autopsy Report from the Brown County Medical Examiner 's Office. The report was ten pages long and documented the findings of the autopsy conducted on B.L.P. DOB:2/15/00 which was conducted on March 2, 2023.

In the report, signed by Dr Elizabeth Douglas, certified the cause of death as:

"Gunshot wound of the chest "

Additionally, the report stated:

"For the purpose of vital statistics and public health record keeping, the manner of death is best certified as a homicide. " ***In addition to the autopsy report, we also received the results of the ethanol analysis of B.L.P.. The report stated ethanol was "Not Detected "***.

12. Your complainant's review of the reports of Inv. Melanie Lovato of the Ashwaubenon Department of Public Safety, who indicates: I, Investigator Lovato, have continued to follow up on this case by monitoring jail phone call, texts and video calls. On this same date Investigator Jakel called Keilana again asking her to come to our station for further questioning. Keilana did not answer so Investigator Jakel left her a message. Keilana has not returned any of our phone calls.

STATE OF WISCONSIN - VS - Keilana Marie Brunette

Follow up 6-23-2023

I, Investigator Lovato followed up on this case by listening to jail phone calls. On 6-23-2023 1137 hrs. Keilana and Prez were talking on the phone.

I responded from the station and sat near the 1335 Swamp Rd. I could see Keilana's car was sitting in the driveway. At 1346 hrs. I could see a male who appeared to be Keilana's brother walk out to the Keilana's car and put something in the passenger side of the car. I then saw Keilana come outside with her daughter and get into her car. I immediately radioed dispatch requesting patrol units respond to assist for a traffic stop.

I followed Keilana from her residence for some time and then performed a traffic stop and I activated my emergency lights and Keilana pulled over. As I approached Keilana's car I could see her brother in the front passenger seat and her daughter in the back seat. Keilana was watching me in the rear view, driver's side mirror. Keilana recognized me and followed my directions to exit the car. Keilana walked towards me and I told her to turn around and place her hands behind her back. Keilana question why and stated, "This is bogus". Keilana pulled away from me as I was trying to secure her left wrist in handcuffs. Keilana started to yell, "Stop". I was able to secure Keilana's handcuffs and walked back to my unmarked squad car. I told Keilana I have called her several times and she has refused to return my phone calls. I checked the tightness of Keilana's handcuffs and double locked them. I tried to explained to Keilana what the next steps were and wanted to make arrangements to get someone to our location to get her car, brother and daughter. Keilana stated, "You all are fucking ass holes, I don't have shit to do with this". Keilana refused to allow me to call her Grandma and wanted to call Grandma on her phone. Keilana became upset during our conversation and screamed to her brother to call Grandma, he yelled back, "I already did". Keilana asked me to take her handcuffs off and I told her she was under arrest so her handcuffs were not coming off. Keilana asked that I grab her cellphone, charger and purse. When Officer Fassbender arrived we walked over to his squad car were Keilana was secured in the back seat. I patted Keilana down with nothing located. I assisted Keilana into the back of Officer Fassbender's squad car and she pulled away from me again.

Officer Fassbender was given Keilana's purse and he transported Keilana back to the station upon my request. Keilana demanded the purse be in back with her but I told her it had to stay in the front seat. I turned off my cell phone AXON app after I left the area of the traffic stop. Keilana also had a small baggie of a green leafy substance that through my training and experienced appeared to be marijuana.

Prez told the male he called 911, left and how Police didn’t find his body for 14 hours later. Prez stated how he was really drunk, and it was about 7 in the morning when this happened.

Prez stated he felt better being in jail because he was being held accountable. Prez stated he already told the cops he did it and will take full responsibility for it. Prez stated Witness 1 is also telling him to get a lawyer and not a public defender. Prez stated he needed to get a lawyer from Milwaukee because they handle the, "Gun violence" cases. Prez stated he thinks we will charge him with reckless homicide and not intentional because they were drinking.

14. Your complainant's review of the reports of Inv. Zach Jakel of the Ashwaubenon Department of Public Safety, who indicates: On June 23rd, 2023, at approximately 2:00 pm, I (Investigator Zach Jakel) spoke with Keilana Brunette in a recorded Ashwaubenon Department Public Safety Interview Room. I introduced myself to Keilana and explained to her that I wanted to talk with her. I read Keilana her Miranda Rights from a standard Ashwaubenon Public Safety Miranda Rights form. Keilana expressed that she understood these rights and was willing to answer questions. Keilana signed the Miranda Rights form.

During the interview, Keilana stated she was not there during the time of the shooting but heard the information from Prez Wade. Keilana heard that B.L.P. "cocked " the gun in the middle of the night and Prez forgot about it. Then in the morning when Prez was going to leave, Prez was joking around and put the gun up to B.L.P. and pulled the trigger, not thinking it was going to go off. Keilana believes this to be true because Prez and B.L.P. were best friends and he would not have done this on purpose.

Keilana described the events of that night from her perspective. She was with Prez in the beginning of the night and picked up B.L.P. at Club 9-Twenty at 1583 Main Street in the City of Green Bay, Brown County. She then dropped Prez and B.L.P. off at the Viking Drive apartment complex. Keilana initially stated she would then go out with friends but was home by 2:00 am that night. She also initially stated she was never back over in the area of the apartment complex until she picked up Prez at around 6:00 am. She explained she was too drunk to remember much about the night.

She received a text message from B.L.P. that night showing Prez "passed out ". She asked what time she should pick up Prez. She estimated this was about 10:30 pm. She then stated that Prez woke up about a half hour later. I explained that was a coincidence since cell phone records showed her there at 11:00 pm.

I confronted Keilana about cell phone records showing her in the area of the apartment complex. She then remembered going to the area of Viking Drive but stated she was looking for two different cars. One car was a girl named "Nicole " who was B.L.P. 's ex-girlfriend. She

STATE OF WISCONSIN - VS - Keilana Marie Brunette

did not know what kind of car it was, but it had tan seats. I asked if she found the vehicle, but she stated she did not get out of the car to look at he seats because she is not a "creeper '.

She also stated she was looking for a dark blue Pontiac or Mazda, which was Prez 's ex-girlfriend 's vehicle. This ex-girlfriend was "Kiana ". She suspected Nicole and Kiana could be at the apartment because she was worried about Prez being with other girls. She did not see the Pontiac or Mazda in the area and then left. Keilana explained she never got out of the vehicle and was with her brothers at the time. She went to her Uncle 's house after. Keilana stated she was never in the apartment with B.L.P. or Prez. She suggested it could have been Kiana inside the apartment and not her. Kiana was later identified as Kiana Marie Kurowski (04/15/2002).

Based on the stories Keilana was telling me and that Prez was frequently hanging around other women, it would be plausible for Keilana to be suspicious of Prez to the point that Keilana would go over to the parking lot to look for other vehicles. However, it is extremely odd for Keilana to initially state she was never in the area and was "too drunk", but then be able to describe what she was doing over there in such detail and explain what she did immediately after.

At the end of the interview, I asked Keilana about receiving a message from Prez that said, "Take care of my phone. " Keilana stated that Prez wanted her to smash his phone, which Keilana admitted to doing by throwing it on the ground. Keilana stated the phone was in the vehicle that was seized.

I also asked Keilana about telling law enforcement officers that Prez threw the phone off highway 41. **Keilana admitted to misleading law enforcement officers because she was trying to help Prez. She then admitted to giving the correct information later but admitted to initially giving wrong information.**

A statement was typed for Keilana to review, but she refused to review the statement. She was allowed to use the bathroom and was given a bottle of water at the beginning of the interview. Throughout the interview, I suspect Keilana was very deceptive with changing stories and I believe she is likely still trying to protect Prez and possibly herself. Keilana was having difficulties keeping her stories straight.

Based on the foregoing, the complainant believes this complaint to be true and correct.
