### Comments:

In Brown County Case 19CF0897, 23CF1055, Desmond Jordan was court ordered to report to and comply with Criminal Justice Services. On 03/19/24 Desmond Jordan reported in for his random drug screen. Writer had Desmond Jordan complete a lab test and sent it out to Redwood Toxicology for results. Writer received preliminary results from Redwood Laboratory on 03/27/24 that indicated Desmond Jordan's sample tested positive for THC and cocaine. Writer requested Desmond Jordan's sample be retested to confirm these results. On 04/16/24, Writer received confirmation results from Redwood Toxicology. Results confirmed that Desmond

Jordan had Benzoyllecgonine (76ng/mL) Cocaine (197 ng/mL) Delta-9-THC (407 ng/mL) in his system. Jordan Desmond is scheduled for a court appearance on 06/28/24 at 4:00pm in Branch 7.

\*\*\*\* This is the fourth drug screen that came up confirmed positive for multiple substances for Desmond Jordan. \*\*\*\*
